Forever Grateful

I came to Alcoholics Anonymous through the court system, and thank God, "that's over with!" Ten years ago, my life was changed forever and everything I have is a direct result of surrendering to the Alcoholics Anonymous program. I just wanted to stay out of prison. What has happened is so much more than that goal. Because I torchedscorched-burned every aspect of my life, walked away from more than one marriage, a beautiful son, and many opportunities throughout my life. When I came into this program, I was utterly defeated, hopeless, burned out, and had no moral compass left within me. I was physically dying, emotionally dead, and had no idea what would happen to

The restoration of getting in the middle, working the twelve steps (with a sponsor), sponsoring others, and being of service sounded very silly to me. How was that going to help? Since joining this little cultish program, I thought, I have walked through public shame over a health condition. Head up, a smile on my face and God in my heart.

GUESS WHAT, FOLKS?!

This is the Sooner

Sobriety's 35th year!

Please keep us going
by supplying a short
thought or story.

WE NEED YOU!!

No more shame. That was years one and two. At year three, I met my "forever man," and at year five, he died. What happened was incredible because not only did AA show up for me, but my biological and skeptical family saw the love and altruistic, selfless com-

passion we have for each other. I am forever grateful that from that time forward, my life has been blessed with joy.

There are no words that can express the language we speak to each other and the love I feel when I see someone new begin to "shine" as they enter this journey. We are blessed to live solution-based lives in such turbulent events that are surrounding us today. A loving God has taken this broke-down, burnedout former prostitute (alcoholic/junkie) and turned her into a "lady" (maybe a little rough around the edges), but one with integrity and a love for humanity that today I would not trade in for a drink or any other substance. If I remain grateful each day, I pray that day never comes for you or me.

Forever grateful – Anonymous Alcoholic

Don't Quit

MOM! " Dad is leaving again!" These are the words that trembled through the phone to me; while I sat in a hotel room in OKC on business. My room stacked with a box of wine, tequila, and wine coolers; ready for a lone night of oblivion. I dropped to my knees and started praying, "please God, I have to have this obsession removed"! I packed and made a flying trip back to Muskogee; to see what tornado I had created this time. Every concrete pillar I passed, the thought ran through my head to turn the wheel into one of them and end the insanity. But I had a one month old grandaughter and two daughters that needed me.

"I sat in a hotel room in OKC on business. My room stacked with a box of wine, tequila, and wine coolers; ready for a lone night of oblivion."

In the blink of an eye I looked up to an empty house that just a few days before was a family of 5. My husband moved out, one daughter was going to jail and the other was entering drug rehab with her newborn. I called a friend active in Al-Anon and asked her about an AA meeting. So, on September 29, 2000 was my first AA meeting. In about 4 months my husband came home, my daughter got out of rehab. My other daughter did spend 6 months in jail, but it was to help keep her alive.

Two years of sobriety and my family life stabilized---I started going to less meetings, called my sponsor less and less thinking, maybe didn't need all this AA Stuff anymore". I received my 2 year chip in October of 2002 and within one month picked up a drink again; and back to my same drunk self. In March 2003 I got mobilized with the Army to active duty. I was sent to a Army hospital in Missouri. For all the non-military folks, alcoholics and the military don't mix well! There was a party about every night!

After 18 months I was demobilized and went home. In April 2005 my husband and I didn't see eye to eye with my drinking; so our marriage dissolved. All I needed was another stressor excuse to drink more!! In March 2006 one of my Army friends moved to Tulsa. We started dating. He was also a friend of Bill W's! We married in 2009 and were great drinking buddies. He retired in 2014 and we know "idle time is the devil's workshop". His drinking got worse. We moved to OKC in 2015 as I had gotten a new job. I thought a geographic change would help.

Finally, in April 2019 his drinking had escalated to the point that I knew we were heading down a dark rabbit hole without help. Once again I hit my knees and asked my Higher Power for help. On April 22nd he went to 9 days of detox then on to Valley Hope for 30 days. He came home on June 1 which is my new sobriety birthday! We found great sponsors and a home group that is full of beautiful recovering alcohol-

ics. Our lives have taken a 360 degree turn. I kept feeling a pull in my heart that I needed to get back closer to family which are in Broken Arrow/Muskogee area. We sold our home in Okc and now live in Broken Arrow, OK. We have found a great home group, but still have our zoom group in Yukon. Our lives are not perfect, but I wouldn't change our spiritual transformation for anything! It is true when members say, "don't quit until the miracle happens!" Tina R.

I have never been behind bars.....until I had. Sorry this story is not going to a dark place you probably had hoped. I came into AA and heard that you people were taking meetings into prisons. Even though I had never been in prison, (by the DOC that is) my brother had. He spent his entire life in and out of jails and institutions. Never once did I ever hear him talk about AA or a solution to his problem. Our disease eventually killed him. So when I heard that it was relatively simple to carry our message to our incarcerated members I jumped at the chance. I did the paperwork and took the class, and in no time I had a badge that allowed me to carry our message. A message of hope that there is a solution to our common problem. Today I spend every Friday night behind bars, hoping your brother, father, son shows up in that room. It is the most powerful and fulfilling meeting of the week for me, a calling if you will. I realize today the men I get to see on that Friday night need a message of hope, and I am responsible for that—if not me then who? -An Anonymous Alcoholic

This month in AA History

January, 1939 — NY member Jim B (Vicious Cycle) suggested the phrases "God as we understand Him" and "Power greater than ourselves" be added to the Steps and basic text. Bill W later wrote "Those expressions, as we so well know today, have proved lifesavers for many an alcoholic." —*Language of the Heart*, pg 201

Step 1

"We admitted we were powerless over alcohol that our lives had become unmanageable."

"We know that little good can come to any alcoholic who joins AA unless he has first accepted his devastating weakness and all its consequences. Until he so humbles himself, his sobriety—if any—will be precarious. Of real happiness he will find none at all."

Tradition 1

"Our common welfare should come first; personal recovery depends upon AA unity."

"This we owe to AA's future; To place our common welfare first; To keep our fellowship united. For on AA unity depend our lives, and the lives of those to come."

—A Declaration of Unity

Concept 1

"The final responsibility and the ultimate authority for AA world services should always reside in the collective conscience of our whole Fellowship."

"The AA groups today hold ultimate responsibility and final authority for our world services—those special elements of over-all service activity which make it possible for our Society to function as a whole."

Page 8 NEWSLETTER TITLE

ARE YOU LOOKING FOR SERVICE WORK? The OKC Intergroup Service Office needs Phone Volunteers!

Shifts are two hours long, Monday through Friday. You may work one shift a week as a regularly scheduled volunteer or more as a substitute. Examples include: Tuesday from 1-3 or Fridays from 9-11. There is no sobriety minimum, but you MUST be an alcoholic in recovery. For more information, please contact the Intergroup Office at 405-524-1100. It is a great way to learn about meetings throughout the OKC Metro and the rest of Western Oklahoma!

Shifts are overnight on weekdays (6pm to 7am) or one of three shifts on the weekends (7am to 12pm, 12pm to 6pm, or 6pm to 7am). A volunteer must be sober for at least one year and must have a home group they regularly attend. Positions become available regularly, so if you are interested, please call us at 405-524-1100 for more details. This is an outstanding way of being the alcoholic's first contact with AA. We have volunteers who will speak with them day or night. You become the bridge between the two.

Pamphlet of the Month:

Written by doctors who are members of Alcoholics Anonymous, this pamphlet speaks to all AA members who must take prescribed medication for serious medical problems. It talks about how the misuse of such medications and other drugs can threaten the sobriety of the AA member. The aim of this pamphlet is to "minimize the threat of relapse," through following certain suggestions. Chief among these are:

- To avoid "playing doctor." All medical advice should come from a qualified physician.
- Be an active participant in the AA Program of recovery.
- Be completely honest with the doctor. Also, it is recommended that the alcoholic be completely honest with him/herself about *HOW* medications are taken.
- Let the doctor know if there is ever a desire to take more than prescribed of any medication.
- Be sensitive to warnings about changes in behavior when starting a new medication or changing dosage.
- If an alcoholic feels that these doctor does not fully understand the issue, then find a physician who has experience in the treatment of alcoholism.

A Declaration of Unity (to be found on the back of many pamphlets):

This we owe to AA's future: To place our common welfare first; to keep our fellowship united. For on AA unity depend our lives and the lives of those to come.
